## FROM OUR PASTOR

### 40 Days of Prayer

We will gather today at 5:00 pm in the Perry Fellowship Hall to launch our 40 Days of Prayer. During this gathering, we will distribute the session guide booklet and explain how each of the five sessions is structured. We will also ask you to register your group so that we can have an idea of how many people are participating in this process of prayer and dialogue.

Even if your entire group cannot be present, come to represent them and receive their booklets. If you don't have a group, please let us know when you arrive so we can work to join you with others this coming week.

As we meet, dialogue, and pray in our small groups, we want to consider which of these three viable directions we should prioritize as a congregation:

- Should we expand our downtown facilities?
- Should we optimize our campus schedule?
- Should we launch multisite locations?

More than an organizational decision, this is a spiritual decision resulting from prayer and dialogue with one another. At the end of the 40 Days of Prayer, each group will submit a response form, indicating how they sense God's direction about our next steps as a congregation.

### Prayer Room

A special prayer room has been established for these 40 Days of Prayer for you or your small group to use. Located in Heritage A, the prayer room features twelve prayer stations with interactive activities, enabling you to focus your heart and mind on God's plan for both your life and this church. The prayer room will be open this afternoon as an "open house" for you to learn how you might use it during these 40 days.

### Daily Prayer Video

During these next 40 days, I will be sharing a daily prayer video (Monday-Friday) with reminders of prayer and discerning God's will. These videos will go live each morning at 6:00 am and will be found on YouTube, Facebook, and Instagram.
